MEMORANDUM FOR: OFFICE OF COMMUNICATIONS

SUBJECT : Training Personnel in Maintenance Procedures for
Infrared Communications Equipment (IS-1) at
Contractor's Facility

1. TSS/APD has set up a contractual arrangement with the manufacturer of the IS-1 Infrared Communications Equipment which provides for three weeks instruction and training in the maintenance and use of the equipment. This training will be conducted at the contractor's facility [redacted] sometime prior to July 1956.

25X1

2. On the basis of previous discussions with representatives of your Engineering Division and Operations Division, provisions have been made for training two of your personnel. It is requested that the representatives selected contact [redacted] to determine convenient dates and other such details relative to the period of training.
